

Canadian Presbyterian Mission 8.  
Hankou

Hankou, Hankou, Han Do, Korea

Hansen Kyo with Japanese  
soldiers marching across from  
the Plain into Hankou City.

(circa 1902-1904)

This has to be 1904 or late 1903

as Japanese were preparing (1903)

for war with Russia or actually

marching to encounter Russian

in the north (1904) Rev. D. M. McKee took

this picture. He was caught in Hankou  
first by Japanese & later by Russians & not  
allowed to leave by either - a potential spy!
